ANNEXURE A.

PROCEEDINGS OF THE FINANCE COMMITTEE OF THE DISTRICT BOARD OF MYSORE PASSED AT THEIR MEETING HELD AT 1 P.M., ON MONDAY THE 6TH DECEMBER 1926.

1. Government Order No. 3059-124--L. B. 25-26-14, dated 12th November 1926, regarding the minimum staff of the District Board and Taluk Boards (including Sanitary Inspectors) for the efficient discharge of the duties devolving upon new District Board under Section 45 of the District Board Regulation.

Resolution.—There will be no need for Sanitary Inspectors, clerks, attenders and peons in Taluks under the District Board. Messrs. Narasinga Rao and Alwar Iyengar may be retired from 1st February 1927. H. Krishna Murty Rao, Chikkaiya and D. Venkoba Rao may be transferred to Municipalities. The Amildars will be requested to provide for the Taluk peons in any vacancies available under Musafirkhana or 3rd Class Travellers' Bungalow peons and absorb the rest as far as possible in vacancies that may arise in the Revenue Department. The Amildars will be requested also to issue notices to all the clerks, attenders and peons formally saying that their services will not be required by the District Board from 1st February 1927. The Deputy Commissioner will be addressed to provide for these as far as possible in vacancies under his control and also in connection with the staff to be appointed for Village Panchayet Works.

The District Board will have two Reserve Sanitary Inspectors. The President is authorised to select the two to be kept on and recommend to the Deputy Commissioner the names of the Sanitary Inspectors to be appointed as Inspectors of Panchayets.

No separate Chief Officer is necessary as it is proposed to appoint an Assistant Engineer as District Board Engineer.

The office establishment requires strengthening and revision as it is now heavily overworked and as the work is increasing in complexity, consequent on Railway and Education Cesses and development of Economic and Public Health activities. The Committee therefore urge the addition of one more clerk, as a Steno-Typist is absolutely necessary for work at meetings and under the President and Vice-President, and two peons to the existing staff and improvement in the scales of pay as follows :—

2. (a to q) Read and recorded the Government orders and letters.

Resolution.—Recorded.

3. G. O. No. G. 4521-38—Sany. 10-26-4, dated 5th December 1926, approving of the suggestions of the President, District Board, Hassan, for deputing the existing midwives to the Vaccination training in the Vaccine Institute at Bangalore for a month's training, with a view to enlarge the scope of the usefulness of midwives and to popularise vaccaination.

Resolution of the Finance Committee.

Recorded.

Three midwives may be sent for training at a time; the cost may be met out of the provision made for the employment of a midwife to the Vydyasala at Halli-Mysore.'

Resolution.—The resolution of the Finance Committee to send three midwives this year is approved.

4. (a) G. O. No. L. 3059-124—L. B. 25-26-14, dated 12th November 1926, issuing instructions about the adjustment of funds at the credit of the Taluk Boards on 31st January 1927, the maintenance of the required establishment and other matters connected with the future working of the District Boards under the New Regulation.

(*b*) G. O. No. L. 3686-704—L. B. 119-26-1, dated 10—20th December 1926, sanctioniug the appointment of Inspectors of Panchayets on Rs. 60 plus Rs. 15 per mensem and a Clerk on Rs. 30 and requesting to send the proposals for the orders of Government.

Resolution of the Finance Committee.

'Recorded.

As regards the staff required for the District Board office, the Finance Committee is of opinion that it is not possible at present to make out exactly what minimum staff is required. However the Committee proposes that one hand on Rs. 40 out of the present establishment may be retrenched and the services of S. N. Ramakrishniah, who has put in a service of nearly 21 years, half of which has been spent by him in this office without adequate promotion for want of scope here, may be utilised in filling up one of the posts of Village Panchayet Inspectors in the District. The Committee further proposes that the scale already proposed and recommended by the Board for the revision of the District Board establishment in this office No. 639, dated 20th—22nd March 1926 may be regarded as the minimum requirement, the last hand on Rs. 30 plus Rs. 10 in the said proposal being deleted.

Seven of the Taluk Board Clerks on Rs. 25 that will be thrown out of employment may be entertained as Clerks on Rs. 30 for work in connection with the Village Panchayet in the Taluk offices and the services of the Alur Taluk Board Clerk may be utilised elsewhere in the Revenue Department.

As regards the Attenders, their services may be utilised elsewhere in the Revenue Department.

Out of the existing staff of 9 Sanitary Inspectors working now under the District Board, the Finance Committee considers that the utilisation of the services of the whole staff is not necessary, in view of the supervision of sanitation, drinking water wells, etc., having been taken out of the hands of the Board. The Committee consider that for the efficient supervision of works a Sanitary Inspector may be appointed for two Taluks for the purpose. For 8 Taluks in this District the services of 4 Sanitary Inspectors will be required. The remaining 5 Sanitary Inspectors will be available for being appointed as Village Panchayet Inspectors.'

Resolution.—The resolution of the Finance Committee as well as the proposals made to Government with this office No. 639, dated 20th—22nd March 1926, were considered and discussed in detail. The resolution of the Finance Committee is approved. While fully endorsing the views of the Finance Committee in respect of S. N. Ramakrishniah and having regard to the fact that

B. K. Rangachar, Clerk in the District Board office has been doing efficient work, and was also drawing a monthly salary of Rs. 50 when the Economic Development Work was under the management of the District Board with a Government grant, and has been drawing the new salary of Rs. 55 since July 1923, but is undoubtedly deserving of promotion, the District Board unanimously resolve that he may be recommended for being appointed a Village Panchayet Inspector. Thus the Board resolve that five Sanitary Inspectors and S. N. Ramakrishniah whose place will be abolished in the District Board establishment as well as B. K. Rangachar be recommended to be appointed as Village Panchayet Inspectors in the new scheme.

2. The Board would also point out that consequent on the abolition of the Taluk Boards and the retrenchment in the number of Sanitary Inspectors, the peons till now attached to these retrenched Sanitary Inspectors, and the Taluk Boards will find no place but as each Village Panchayet Inspector will be in charge of an entire Taluk and even Sub-Taluks in charge of a single peon are given two peons each, it is suggested that each Village Panchayet Inspector may be given the services of two peons and the thrown out peons employed as such.

3. The Board suggest that as some of the Attenders have put in long service and throwing them out without providing them elsewhere will cause very great hardship to these low paid officials, immediate steps may be taken to provide them with appointments elsewhere so as not to bring out any break in the service.

5. Local and Legislative Secretary's circular No. 1400—L. B. 6-26-24, dated 8th August 1926, calling for draft rules for granting scholarships by the Local Bodies.

Resolution of the Education Sub-Committee.

'Draft enclosed may be approved.'

Resolution.—The draft as altered by the Education Sub-Committee is approved with the following modifications:—

In the para. prescribing the age limit as 21, the last sentence may be modified as "The Board may grant exemptions in exceptional cases."

Instead of paying the scholarship on a bill presented after the expiry of the month, the amount may be sent to the Head of the Institution in advance every month, as many of these scholarship-holders will have to subsist on the stipends granted by the Board.

6. (*a*) Memo No. D. 4065-74, dated 9th December 1926, received from the Secretary to Government, Development Departments forwarding a copy of G. O. No. D. 2542-45—(F. G. 16-26-4, dated 8th October 1926, passing orders *re* opening of horticulture classes, fruit nursery, waste land coal plantations, etc.

Resolution.—(*a*) and (*b*) Recorded.

(*c*) Approved.

7. D. O. letter No. 11-26, dated 2nd December 1926, from the Deputy Commissioner, Hassan District, intimating that the Manager of the Mysore Bank wants to know whether the District Board and the Municipality are agreeable to deposit their funds with the Bank, if a Branch thereof is opened at Hassan and requesting to obtain sanction of Government in the matter (vide para 1 of Mysore Municipal Account Manual) if the Board are agreeable to do so.

(*b*) Letter from the Manager, Mysore Bank, Bangalore, enquiring if the District Board and the Municipality would undertake to deposit their funds in the Mysore Bank in case a Branch office is established at Hassan.

Resolution of the Finance Committee.

'A sum of Rs. fifty thousand (50,000) may be lodged as fixed deposit.'

Resolution.—The District Board is agreeable to deposit their funds and transact business with the Bank, as per provisions of section 32 of the New District Board Regulation of 1926.

8. Letter No. L. Dis. 810-26—L. S. G., dated 1st December 1926, addressed from the Deputy Commissioner, Hassan, to the Secretary to Government, Local and Legislative Departments, pointing out that the new well works ought not to have been sanctioned by the

District Board at their meeting held on 13th and 14th November 1926, contrary to G. O. No. L. 2448-5—L. B. 32-26-15, dated 1st November 1926 and suggesting that they may be completed and paid for before 1st February 1927.

Resolution.—The well works could not be delayed and the sanctioning was in the interests of the public.

9. Letter No. 1911, dated 6th December 1926, from the Superintendent of Sericulture recommending that a suitable medal worth about Rs. 20 may be given to one Mr. Kodigowda of Bundahalli, Channarayapatna Taluk for having done the best work in sericulture in the Hassan District during the last year on the occasion of the Cattle Show at Hassan.

Resolution of the Finance Committee.

'A medal worth Rs. 15 may be awarded.'

Resolution.—The recommendation of the Finance Committee is sanctioned.

10. Letter No. 11981, dated 6th December 1926, from the Superintendent, Civil Veterinary Department, stating that if the Board are willing to come forward with its usual generosity by bearing the whole of the expenditure for four months, besides the intial expenditure, *i.e.*, Rs. 600, the opening of a Veterinary Dispensary at Channarayapatna, etc., may be possible.

Resolution of the Finance Committee.

'If the Municipal Council of Channarayapatna be agreeable to bear their share of contribution out of Rs. 600, the proposal to establish the Veterinary Dispensary in the above place may be sanctioned.'

Resolution.—The opinion of the Municipality of Channarayapatna may be awaited. If the Municipality will give their share of recurring and initial expenditure, District Board will pay its usual quota and the extra cost for this year as well, as proposed by the Veterinary Superintendent.

11. D. O. letter No. T. P. 1-26, dated 13th December 1926, calling for the suggestions of the Board in the matter of revision of time-table on Mysore Railways from 1st March 1927.

Resolution.—(1) The trains may be made to stop at the Hole-Narsipur Town Station for five minutes instead of two minutes.

(2) The day train from Mysore to Ariskere (Down train No. 4 mixed) should be so timed as to be able to give connection with the Passenger from Poona to Bangalore.

(3) The mixed train (No. 12 Down Mixed) from Mysore to Arsikere starting at 3. P.M. may start later and the waiting interval at Arsikere to catch Poona-Bangalore Mail may be minimised.

12. Letter No. 1740, dated 20th November 1926, from the Superintendent of Sericulture, forwarding for disposal application dated 3rd November 1926, of G. Devappa of Kabbathi village praying for a scholarship for undergoing training in Sericulture.

Resolution of the Finance Committee.

'The application may be renewed at the next budget meeting.'

Resolution.—The resolution of the Finance Committee is approved.

13. Letter No. C. 2881—26-7, dated 2nd December 1926, from the Inspector-General of Education, calling for the opinion of the District Board whether the cost of Rs. 30 applied for by the Lambani people of Harnahalli for completing their school building, may be paid out of the anticipated savings of the Education Cess Funds of the District.

Resolution of the Education Sub-Committee.

'Rupees 30 may be paid out of the accumulated cess amount.'

Resolution.—The resolution of the Education Sub-Committee is approved.

14. (*a*) Letter No. 58—Gl., dated 2nd December 1926, from the District Economic Superintendent, Hassan, requesting to grant a sum of Rs. 200 required for expenses for the sending of exhibits, etc., to the Bangalore District Board Exhibition to be held from 26th to 28th December 1926.

(*b*) Opinion of the members of the Finance Committee to grant a sum of Rs. 100 for the purpose.

Resolution of the Finance Committee.

'As a cheque for Rs. 100 has already been drawn and paid, the same has been approved.'

Resolution.—The resolution of the Finance Committee is approved.

15. (*a*) Letter No. 13860-5—1187-91, dated 5th March 1926, from the Inspector of Primary and Middle Schools suggesting certain readjustment of the scale of the staff and establishment of the schools in the Hassan District.

(*b*) Letter No. 2227-807, dated 24th September 1926, from the District Inspector of Education, Hassan, noting the cess schools in the list received with the above.

Resolution of the Education Sub-Committee.

'The proposal to withdraw one of the hands at Maddarahalli school is not desirable, as the strength has gone up to 75 now, and there is every probability of further

increase. With regard to Harlahalli, Kozalka and Nidvani schools, one additional hand for each school has been proposed to be given out of cess funds as per resolution of the District Board at their meeting held in the month of July 1926. And hence the change proposed by the Inspector of Primary and Middle Schools seems annecessary.

With regard to Bagur and Belgode Incomplete Middle Schools whose strength is extremely low, it seems desirable to reduce them to the Primary Standard. The District Inspector of Education suggests to utilise the available provision towards the development of the schools at Yeslur and Hebbale into Pukka Middle Schools.'

Resolution.—The resolution of the Education Sub Committee is approved, except as regards transferring provision of Belgode and Bagur Schools to Yeslurpet and Hebbale. The Board is of opinion that the schools at Belgode and Bagur should continue. Further resolved that these alterations and suggestions may be disposed of by the Education Sub-Committee in consultation with the President. District Board.

16. Letter No. 8276-1184, dated 20th November 1926, from the District Inspector of Education, Hassan requesting for a building grant for the newly constructed school at Nagarhalli, Arsikere Taluk.

Resolution of the Education Sub-Committee.

'Since the building is already completed, there does not seem to be any need for a grant at this stage.'

Resolution.—The resolution of the Education Sub-Committee is approved.

17. Letter No. 7199, dated 12th April 1926, from the Assistant Director of Agriculture, Shimoga, requesting to meet the loss of Rs. 500 sustained by them in the sun-hemp seed transaction, as already intimated.

Resolution.—The Board sanctions Rs. 500 out of the amount set apart for Economic Development in the District for agricultural demonstrations, etc., in this year. If however the Agricultural Department cannot otherwise meet this loss this sum now sanctioned may be used for the purpose.

18. Letter No. 75, dated 19th December 1926 received from the President, Municipal Council, Alur, forwarding the Resolution No. 6, dated 5th December 1926, requesting the District Board to press the question of granting a Middle School to Alur Town.

Resolution of the Education Sub-Committee.

'The place deserves a Middle School. The Education Department may be requested to develop the existing Incomplete Middle School into a Pukka Middle School, the extra cost being borne out of State Funds.'

Resolution.—The Board is strongly in favour of having a Pukka Middle School at Alur.

19. Letter of the District Secretary, All Karnataka Ayurvedic Conference, forwarding the proceedings of the meeting held on 19th December 1926 at Ramanathapur about the holding of an Avurvedic Sammelana at Hassan on 5th January 1927, at the time of the Cattle Show and requesting contribution.

Resolution of the Finance Committee.

'A sum of Rs. 25 may be paid out of District Funds. The cost may be met out of Rs. 500 made under contingencies on the expenditure side 2, Medical Relief, Vaccination (d) contribution to Ayurvedic and Unani Dispensaries.'

Resolution.—The resolution of the Finance Committee is sanctioned.

20. Deputy Commissioner's GL. No. 13442—26, dated 6th—10th December 1926, forwarding Belur Municipal Council President's No. 151—26, dated 3rd December 1926, in the matter of the resolution passed at the council meeting, held on 2nd December 1926, recommending the grant of Rs. 50 out of Malnad Improvement Funds to each of the Adikarnataka at Belur for building their houses in the new site acquired for the purpose.

Resolution.—A sum of Rs. 500 may be paid out of Malnad Improvement Funds out of Rs. 2,000 provided for sanitation and water supply.

21. Letter No. G. 5037—Sany. 4-26, dated 3rd December 1926, from the General Secretary to Government, forwarding the application of Mr. Devegowda praying for Dispensary building with in-patients' ward at Nagenahalli in Belur Taluk.

Resolution of the Finance Committee.

'This is impracticable for the present as the permanent habitation has not been provided for the Dispensary even now.'

Resolution.—The resolution of the Finance Committee is approved. As there is no public building, the people in the neighbourhood of Nagenahahalli may be invited to put up a proper Dispensary building with in-patients' wards as otherwise the continuance of the Dispensary in that place may not be possible, and its transfer elsewhere would become necessary.

22. Letter No. C. 1671-2, dated 7th December 1926, from the Senior Surgeon, Bangalore, requesting the views of the District Board to extent Malnad allowances to Midwives attached to the Maternity at Saklespur.

Resolution.—Approved.

N. Madhava Rao, Esq., B.A., B.L., Chief Secretary to Government.

20 Members were absent.

Mr. Chandrachar explained to the Committee that up to date a sum of Rs. 71,629-12-7, was at the credit of the Central Flood Relief Committee including accrued interest (after affording relief to 2,503 persons to the extent of Rs. 69,826) and that this amount had been invested as a Fixed Deposit in the Bank of Mysore. He stated that at the beginning of July 1927, when the deposits would mature, the amount at the credit of the Fund would come to about Rs. 75,500, excluding the expenditure of Rs. 592-8-0, incurred since 1st April 1926. He suggested that Rs. 70,000, may be kept as corpus of the Fund and the remaining Rs. 5,500, be reserved for urgent expenditure.

The following resolutions were passed by the Committee after some discussion :—

Resolution No. 1.

Sir K. P. Puttanna Chetty moved that the following resolution passed at a former meeting of the Committee be confirmed with the modification that the amount to be kept as Corpus of the Fund be altered to Rs. 70,000 instead of Rs. 65,000.

" Resolved that the balance of about Rs. 65,000, be constituted into a fund to be invested in approved securities and that the interest on the said sum be made available for the relief of poor people in emergencies of distress caused by floods, fire, famine or other causes in any part of the Mysore State and not falling within the purview of Government. The amounts unutilized in any year may be added on to the corpus of the fund. If, however, owing to emergencies, a larger expenditure than the annual accretions of money is required, the trustees may draw the accumulated interest of the previous years without however trenching on the corpus of the fund. For the management of this fund there may be a Board of Trustees consisting of five members to be nominated by Government, two of them being Officers of Government and three Non-Official gentlemen to be in office for a period of five years at a time, casual vacancies being however filled up for the rest of the term. An annual report of the transactions of the Board may be published in the *Mysore Gazette*, and in the local newspapers. This fund may be styled "The Mysore Distress Relief Fund."

Mr. B. K. Garudachar seconded the motion.

This was carried unanimously.

Resolution No. 2.

Mr. B. K. Garudachar moved that out of the remaining Rs. 3,500, Rs. 1,500 may be placed at the disposal of the Deputy Commissioner, Shimoga District, for affording relief to the sufferers in the accidental fire which broke out in Shimoga Town in January last, Rs. 1,500 granted to the President, District Board, Hassan, for reconstructing Ramanathpur Village in Arkalgud Taluk and Rs. 500 to the Deputy Commissioner, Bangalore District, for affording relief in a case of accidental fire in Kengeri Village and that the expenditure of Rs. 592-8-0 incurred by him as stated above be approved.

Rao Saheb Mr. H. Chennaiya seconded the motion.

This was carried unanimously.

Resolution No. 3.

Rao Saheb Mr. H. Chennaiya proposed that the Revenue Commissioner and the Chief Secretary to Government may be the Official Members and Sir. K. P. Puttanna Chetty, Messrs. B. K. Garudachar and N. S. Nanjundiah, the Non-Official Members of the Committee, with Sir K. P. Puttanna Chetty as Chairman and Mr. B. K. Garudachar as Vice-Chairman.

Mr. B. T. Kesava Iyengar seconded the motion.

This was carried unanimously.

Resolution No. 4.

Resolved that the respectful thanks of the Committee be communicated to His Highness the Yuvaraja of Mysore, for having acted as President of the Central Flood Relief Committee and a copy of the Proceedings of the Meeting of this day be submitted to him for information.

Resolution No. 5.

Rao Saheb Mr. H. Chennaiya proposed that the Committee do place on record the valuable services of Sir K. P. Puttanna Chetty (Vice-President of the Committee), Mr. B. K. Garudachar (Secretary to the Committee) and of other members of the Committee in connection with the organization and administration of the Fund. The Committee also wish to place on record their gratitude to the persons who contributed to the fund and rendered possible the grant of relief on such a large scale.

The resolution was passed unanimously, the Dewan associating himself with the sentiments expressed by the members.

Sir K. P. Puttanna Chetty thanked the Dewan and Members of the Committee on behalf of Mr. Garudachar and himself for the sentiments expressed.

Mr B. T. Kesava Iyengar thanked the Committee and expressed satisfaction that his request for funds met with a generous response.

Copies of the notice shall be affixed at the Municipal Office and at such other conspicuous place or places within the Municipality as the Municipal Council appoints for this purpose.

Nomination of candidates

12. (1) No person may be a candidate for a councillorship unless he has been nominated in writing for this purpose by two persons entitled to vote in the same division in which the candidate wishes to be elected. The nomination paper shall bear an endorsement signed by the nominee signifying his willingness to serve and shall be delivered to the Returning Officer at least seven days before the date fixed for the election.

(2) The said officer shall, where any nomination paper is prepared and delivered to him in accordance with sub-rule (1), if the nominators establish to his satisfaction that they are entitled to vote at the election and that the nominee is qualified as a candidate, enter the nominee's name in a list of candidates, which shall be prepared under his signature and posted at the Municipal Office and at the place at which the election is to be held and in other conspicuous places, at least five days before the date fixed for the election.

(3) When elections are to be held at or about the same time in two or more divisions, one and the same person may be nominated for election in all or any number of the said divisions.

Conduct of Elections.

13. When the number of candidates nominated does not exceed the number of vacancies, the nominated candidate or candidates may be declared by the Returning Officer elected without any votes being recorded. For purposes of Rule 26 of these rules, such candidates shall be considered to have got the highest number of votes.

14. If more candidates than there are vacancies have been validly nominated, votes shall be taken in accordance with the procedure prescribed in the following rules :—

15. The Returning Officer shall appoint one or more Polling officers to preside at each polling station with as many assistants as he thinks necessary. The said officer shall also appoint one or more identifying officers at each polling station to assist the Polling officer in identifying the voters.

16. (1) On the morning of the election day, the Polling Officer shall be supplied with a sealed box provided with an aperture for receipt of voting papers, an Electoral Roll and a bound book or books of voting papers serially numbered in foil and counterfoil, one voting paper for each voter in the Electoral Roll.

(2) The Returning Officer may give such special directions as may be necessary for the provision of ballot boxes, cubicles or screens, and other matters of detail.

17. (1) The voting paper shall be printed in Form A hereto appended and shall contain the names of all the candidates.

(2) The name of any candidate who may have withdrawn his candidature shall be scored out by the Returning Officer or by the Polling Officer under the Returning Officer's orders.

18. Every candidate who, on or before the date of his nomination, supplies the Returning Officer at his own expense with a block depicting such symbol as he may, with the said officer's approval, adopt for the guidance of voters shall be entitled to have the same printed in column 3 of the voting paper.

19. Specimen voting papers shall be posted outside the polling booth for the guidance of voters at least 48 hours before the election commences

20. (1) On the day of the election, the Polling Officer shall admit to the ante-room of the polling booth the candidates and such agents as may be selected by the candidates to assist in the identification of voters, provided that there shall be present at one time in addition to the candidates not more than one agent of each candidate.

(2) Besides candidates and their agents, only voters, attendants of voters admitted under rule 22 (vi), and such persons (if any) as may be admissible under special directions given by the Returning Officer in this behalf, shall be admitted to the polling booth.

21. The candidates and their agents shall not speak to or address any intending voter in the ante-room, but may only address to the Polling Officer objections to a voter on the following three grounds :—

First.—That his name is not on the list of voters of the division in respect of which the election is being held.

Second.—That his claim to be a particular voter shown on the list of voters is false.

Third.—That he has already voted.

Any person breaking this rule may be expelled from the ante-room by the Polling Officer and shall not be re-admitted during the election.

22. The procedure for recording each voter's vote shall be as follows:—

(i) Every voter may vote for as many candidates as there are councillors to be elected for the Division.

(ii) There shall be no voting by proxy.

(iii) As each intending voter enters the ante-room, his name and his number in the election roll shall be announced so that all present can hear them.

(iv) The Polling Officer shall dispose of any objections raised by candidates and their agents, and, when satisfied that the intending voter is entitled to vote and has not yet voted, shall initial the foil of a voting paper, and, after taking the voter's signature or mark on the counterfoil, and endersing the paper across the junction of foil and counterfoil with a seal, give the foil to the voter and admit him to the polling room.

(v) The voter, after making a cross in column 4 of the voting paper against the names of any candidates for whom he wishes to vote, shall return the paper folded up to the Polling Officer who shall forthwith in the voter's presence place it in the sealed box and pass the voter out of the polling room.

(vi) On the request of a voter who through blindness or any other cause is physically incapable of recording his vote for himself, the Polling Officer shall permit an attendant to take the voter into the polling booth and record his vote for him.

23. It shall be the duty of the Polling Officers and their assistants to see that votes are recorded with absolute secrecy; that only such persons as may be admitted to the polling booth under these rules are admitted thereto; and that persons who have recorded their votes, or against whom objections have been heard and disposed of, leave immediately. It shall also be their duty to see that these rules and any special directions given by the Returning Officer thereunder are strictly observed in all respects.

24. On the conclusion of the poll, the Polling Officer shall seal up the aperture of the sealed box and forthwith deliver the box for safe custody to the Returning Officer or some one appointed by the said officer to take charge of it till the votes are counted. The Polling Officer shall seal up the book of counterfoils and unused foils and keep it sealed in his own custody till it is destroyed under rule 31.

Determination of Results of Elections.

25. The ballot box shall be opened and the votes counted at a special general meeting of the Municipal Council by three scrutineers appointed for this purpose at the meeting.

26. Any ballot paper on which votes are given to more candidates than there are councillors to be elected shall be invalid.

27. If there is an equal number of valid votes in favour of each of two or more candidates for one vacancy, the selection of one such candidate shall be made by lot by the Chairman of the aforesaid meeting, in such manner as the Municipal Council at such meeting shall determine.

28. Whenever one and the same person gets the highest number of votes in more than one division he will be at liberty to determine for which division he should be returned and in default of his doing so within 48 hours alter the declaration of the result of election, Government in the case of City Municipalities and the Deputy Commissioner in the case of Town Municipalities shall declare him to have been elected for one such division. In such cases the candidates who have got the next highest number of votes in the several remaining divisions will be taken to have been elected for those divisions. In the event of there being no such candidate in any such division, a fresh election shall be held for the same.

29. The result of the election shall be declared by the Chairman of the meeting and shall be recorded in the minutes of the proceedings of the meeting.

Custody and Destruction of Voting Papers.

30. When the voting papers have been scrutinised, they shall forthwith be replaced in the ballot boxes from which they were taken and these boxes after being locked and sealed with the Municipal seal, shall be kept by the Municipal Council in safe custody.

31. On the expiry of fifteen days from the date of the declaration of the result of the election, or if any application regarding the election is made to the District Judge under Section 22 of the Regulation and such application is not finally disposed of before the expiry of the said fifteen days, then whenever such application has been finally disposed of, the voting papers including both those in the ballot box and those in the sealed book in the Polling Officer's custody shall be destroyed in the presence of such councillor or officer as the Municipal Council appoints for this purpose.

Report of results of elections.

32. The names of persons declared to have been elected under Rules 13 and 29 shall be communicated with the least practicable delay to the Government direct in the case of a City Municipality and through the Deputy Commissioner in the case of a Town Municipality, for being notified in the *Mysore Gazette.*

Casual Vacancies.

33. On a vacancy occurring in the Municipal Council between two general elections, the Returning Officer shall fix a date as soon as conveniently may be for the holding of the election to fill the vacancy. The above rules shall apply, with such modifications as may be necessary, to such bye-elections.

MUNICIPAL AND LOCAL BOARDS.

No. L. 7527-44—L. B., 200-26-1, dated 21st April 1927.

In exercise of the powers vested in them under Section 100 of the Mysore District Boards Regulation III of 1926, the Government of His Highness the Maharaja of Mysore are pleased to issue the following rules in regard to the utilisation of the income from Education Cess levied by the District Boards and the account procedure relating thereto:—

The Education Cess levied by District Board shall be credited in the treasury cash accounts to District Funds as a distinct entry. At the end of each month the total cess realised in the district either in cash or on payment orders issued by the Comptroller should be entered in the Pass Book of the District Board concerned and a foot-note appended giving details by treasuries of the items of revenue upon which the cess is realised.

The District Treasury Officer will furnish a statement of Education Cess credited every month in all the treasuries of the district to the Inspector-General of Education so as to reach him on or before the 10th of the succeeding month.

The amount payable on account of Education Cess on items of Forest Revenue will be adjusted by the Comptroller as in the case of Local Cess creditable to the District Boards and intimated to the Inspector-General of Education and the President of the District Board concerned before the close of the month in which such adjustment is made.

The amounts received on account of Education Cess will be credited in the District Fund Account under the head "Education Cess" under public debt heads. If there be any difference between the figures shown in the Treasury Pass Book and those taken in the accounts of the District Board immediate steps should be taken to reconcile the figures and the result of the reconciliation should be recorded in the Board's cash account of the month concerned and intimated to the Inspector-General of Education whenever necessary.

The Education Cess levied in each district will be utilised solely for purposes of education in the district concerned. The following are some of the purposes for which the amount may be sent:—

1. Conversion of Aided Schools into Government Institutions.
2. Opening of new Primary Schools.
3. Development of Primary Schools into Incomplete Middle Schools.
4. Development of Incomplete Middle Schools into Full Middle Schools.
5. Improvement of staff in Primary and Middle Schools.
6. Opening of Practical Instruction Classes.
7. Opening of New Middle Schools.
8. Opening of Vocational or Residential Middle Schools.

The accumulated collections, if any, or cess funds will also be utilised for the improvement and construction of Primary and Middle School Buildings and for the initial equipment or for the improvement of equipment of schools of these grades.

The Inspector of Primary and Middle Schools shall prepare schemes of development of Primary and Middle School Education, consistent with the objects referred to in Rule 5, and forward the same to the District Board concerned for opinion and submit the same to the Inspector-General of Education duly revised in the light of the opinion, if any, given by the District Board. If the Inspector-General does not agree with the opinion of the District Board in any point or matter, he will bring the same to the notice of Government and obtain orders. In the case of Girls' Schools the Inspector of Primary and Middle Schools will get the programme of development from the Inspectress of Girls' Schools and include the same in his proposals to the District Board.

The Inspector of Primary and Middle Schools shall also prepare a programme of building works (both original and improvement) to be taken up in the ensuing year out of cess funds, indicating the estimated cost of each work and the amount of contribution which the District Board has to pay out of the Education Cess Fund and forward the same to the President, District Board, in January every year for consideration at the time of the preparation of the Annual Budget Estimates by the District Board. The District Board shall consider the programme so received and make suitable provision in the District Board Budget for the same under "Education Cess" and intimate forthwith to the Inspector of Primary and Middle Schools the amount provided by the Board, therefor. The Inspector of Primary and Middle Schools will submit the same to the Inspector-General of Education. If the Inspector-General does not accept the modifications or additions, if any, suggested by the District Board he will bring the matter to the notice of Government and obtain orders.

All charges debitable to Education Cess Funds will be drawn on bills of the Education Department against the provision made in the State Budget and paid by the treasuries and included in the list of payments of the Education Department. The Inspector-General of Education will prepare at the end of each quarter a detailed bill of charges so disbursed and send the same with the certificate of his Financial Assistant recorded thereon, to the President of the District Board concerned who will, after satisfying himself that the expenditure billed for relates to his district issue a crossed cheque in favour of the Treasury Officer for the amount of the bill. The amount of the cheque will be charged in the District Fund Accounts to the debt head "Education Cess."

"The charges on account of separate establishment, if any, sanctioned by the Government for work in the District Board Office in connection with the utilisation of cess funds will be drawn by the President of the District Board concerned and debited to Education Cess Funds of the district due intimation of the charges so drawn being given monthly or quarterly to the Inspector-General of Education so as to keep him informed of the total expenditure debited to cess funds."

Recurring charges debitable to cess funds and recoverable from the District Boards on account of new schools opened for the development of existing ones may be calculated on the sanctions accorded and the dates of starting or closing of schools without reference to the actual charges incurred.

The President of the District Board shall meet the bill immediately on presentation by the Inspector-General of Education and if there should be any charge which the District Board does not admit or is found incorrect, it may be got short drawn in subsequent bills.

A suitable *proforma* account distinguishing therein recurring and non-recurring charges and showing the opening and closing balances under each kind will also be maintained by the District Board.

The Inspector-General of Education shall, in respect of the institutions maintained wholly or in part from the Education Cess, have the same powers of sanction as in the case of Government Institutions, provided that for all the recurring items of expenditure debitable to the cess funds and for expenditure on any item objected to by the District Board, the previous sanction of Government shall have been obtained.

The recurring charges sanctioned by the Government shall be first charge on the Education Cess of a district.

Works once commenced should be carried on from year to year until completion without interruption, fresh works being undertaken only with due regard to the requirements of incomplete works.

In addition to the quarterly statement of charges prescribed in Rule 8, a quarterly statement of expenditure on each work included in the programme will be sent by the Inspector-General of Education to the President of the District Board for the information of the Board.

Should the District Boards pass any resolutions on quarterly statements of expenditure, or the inspection note, if any, of the President or the Vice-President, or on the motion of any Member of the Board, the Inspector-General of Education will take such action as he considers necessary to give effect to the said resolutions and in case of any difference of opinion the matter shall be referred to Government for orders.

In all matters of difference of opinion between the Education Department and the District Board which are brought to the notice of Government the decision of Government will be final.

1. Budget Estimates of the Kolar Gold Field Sanitary Board for the year 1927-28.

Resolution.—At the request of the President, the Vice-President explained the Budget Estimates both on Receipt and Expenditure side to the members. The estimates had already been circulated amongst them. The Vice-President pointed out that by mistake a sum of Rs. 628 had been omitted on the receipt side under "interest. It was resolved that on the Receipt side a sum of Rs. 628 be added under the Head Interest (D. 14) Interest on Investments) in the Revised Estimate for 1926-27 and under the Budget Estimate for 1927-28.

Expenditure side.—1. Under "D. 1 (d), Establishment", the appointment of the orderly in the temporary establihment of the epidemic Diseases Hospital should be retrenched.

2. Under "D. 2 C." the appointment of the temporary midwife should be retrenched. It was learnt that the present incumbent is rather old to do any active service and that her work was not satisfactory. It was decided that one of the female attendants in the Child Welfare Centre, who has sufficient knowledge and experience in midwifery be asked to look after the work of the midwife and that one of the wardresses, at present employed in the Epidemic Diseases Hospital be permanently transferred to Child Welfare Centre.

There is a Dhobi on Rs. 23 per mensem, attached to the Epidemic Diseases Hospital. He should be replaced by another Dhobi, on a less pay.

It should be investigated by the Vice-President whether it was necessary to give two peons to the Andersonpet Market and whether the service of one of them could not be dispensed with.

The provision of Rs. 250 to the Market Show should be reduced to Rs. 200.

The Work Inspector, who gets Rs. 900 per annum has very little work. All his duties may be conveniently attended to by the respective Sanitary Inspector. The Board are of opinion that the post of the work Inspector may be retrenched.

Under D. 11 Mis." "Unforseen Expenditure", the provision should be increased by Rs. 500. under the same head, a sum of Rs. 100 should be provided for the purchase of chemicals and apparatus for the Laboratory.

2. To ask the Bank of Mysore to pass an overdraft amount to the extent of Rs. 3,000 on the strength of Fixed Deposit Receipt.

Resolution.—Mr. Heathcote moved and Mr. O. V. Rajagopal seconded that the Vice-President be authorised to draw on the strength of the Fixed Deposit of the Sanitary Board, a sum of Rs. 4,000 from the Bank of Mysore, whenever necessary. Approved unanimously.

Shed for the Dispensary and quarters attached to it is quite essential for the due discharge of the duties of Veterinary Inspectors. Accommodation at least for five Veterinary Inspectors with their staff near the Dispensary is badly needed. No lighting arrangements have been made to attend to urgent cases at night.
